Getting Started: Readiness Checklist

1. Learn About YouthBuild USA's Green Initiative

Recommendations	Outcomes/Tasks	Done
Explore YouthBuild USA's Green Initiative online resources	Review YouthBuild USA's and DOL's **free** online green building instructional materials and resources including:	
	• Shades of Green provides both the *Shades of Green* guide and an assortment of supporting documents, videos, tools, tips, and resources	❒
	• YouthBuild Community of Practice (COP) – Log into the Community of Practice and review DOL's *Go Green!* resources	❒
	• Knowledge Bank - Log into YouthBuild USA's Knowledge Bank and explore available green resources including how-to tip sheets, training manuals, project-based lesson plans, YouthBuild case studies, Graduate interviews, webinar archives, and videos	❒
Contact YouthBuild green technical assistance	• If you **are** a DOL grantee, request technical assistance from your FPO or send an email to either Ted Roan at troan@youthbuild.org, or Eva Blake at eblake@youthbuild.org.	❒
	• If you **are not** a DOL grantee, send a request to schedule a phone call to do a site assessment, or to learn about training opportunities to green@youthbuild.org	❒
Participate in an online YouthBuild Green Building webinar or live chat	YouthBuild USA delivers webinars and live chats as part of the DOL TA Collaborative. A calendar of upcoming events can be located when you log into the COP and click on the Events Calendar button.	❒
Stay informed about YouthBuild Green Building news and training opportunities	• Green Building Newletter	❒
	• Green Initiative Frequently Asked Questions	❒
	• Join our *Green Initiative* mailing list to receive up-to-date information on online learning opportunities, training events, and other news. To subscribe, email green@youthbuild.org.	❒
	• Review YouthBuild USA's events calendar	❒
